 You may register right up to the start of and during the conference**

Refund requests must be made in writing to the CITEA Office prior to February 10, 2010

**DO NOT MAIL this form!**

## To all ITE and Voc Ed teachers and administrators, K-12, Community College, and University Level:

Please join us at the California Industrial and Technology Education Association Foundation (CITEAF) 81<sup>st</sup> Annual Conference in Riverside, California, in 2010. The CITEAF conference will commence at 7:30 AM Thursday, March 11<sup>th</sup> and end Saturday afternoon, March 13<sup>th</sup> at the Riverside Convention Center. Saturday will feature in-depth workshops on selected topics. The ITE/VocEd Products Exhibition will run from Thursday morning, March 11<sup>th</sup>, until Friday evening, March 12<sup>th</sup>. We have again made excellent lodging arrangements with the Historic Mission Inn, described below. Your participation and attendance will strengthen ITE and vocational education in the state and will also strengthen CITEAF and our ability to assist and represent ITE and Vocational Education in California. Make your reservations now!

### Keynote Speaker: **Matthew Crawford**, author of **Shop Class as Soul Craft**

Matthew Crawford –the New York Times best-selling author is our Keynote Speaker at the 2010 CITEAF conference. This fantastic and inspiring book has caught the attention of the country, and CITEA is mentioned on the first page! The first 250 registered attendees will receive a copy of his book at the conference. Matt will sign copies for all who come to the event.

ITE and VocEd are not yet required in California's K-12 curriculum and thousands of our schoolchildren enter the workforce each year unprepared for a rewarding career. Your support in the form of membership and participation at the conference is important to help us unify and support our work statewide.

The conference brings together ITE and Voc-Ed Educators, Administrators, and industry representatives from all over California, and provides an opportunity for you to view new products and services from exhibitors who provide state of the art products to help in our instruction. The exhibits and workshops provide professional development and benefit both exhibitors and participants. The exhibits area is located on the main floor of the Convention Center with easy access from the registration lobby and the street. Workshop and technical session meeting rooms are located on the same floor with some on the second floor. Registration is located by the exhibit area entrance. The conference is carefully designed to bring conference traffic to the exhibits floor continuously during the conference.

Registration is ONLINE! Conference planning forms, which will help you plan before registering, are available at the conference website, along with a link to the conference registration and information site: <http://www.citea.org>

The Historic Mission Inn is an easy walk from the Convention Center. Special convention room rates are \$99 single or double occupancy. Make reservations by calling the number below, before February 10, 2010 (we recommend earlier reservations). Be sure to request the CITEA conference room rate.

**Historic Mission Inn:** 3649 Mission Inn Ave., Riverside, CA 92501  
**Reservations:** Phone: (800) 843-7755 [reservations@missioninn.com](mailto:reservations@missioninn.com)  
Fax: (951) 683-1342

If you need further information, please don't hesitate to contact us. We look forward to your participation in your 81<sup>st</sup> Annual Conference. Thank you for your consideration.

Sincerely,

Seth P. Bates  
for the CITEA Foundation

*Conference Registration Planning Form*

## Join us for the 81st Annual Conference of the California Industrial and Technology Education Association Foundation Riverside, March 11-13, 2010

Conference registration will be ON-LINE via the CITEA Web:  
[www.citea.org](http://www.citea.org)

**>>> Registration begins November 1, 2009 <<<**

To register, complete the planning information form (optional) then go to the CITEA Main Web Page ([www.citea.org](http://www.citea.org)) to access the conference web pages, then click on the link for the 2010 CITEA Conference registration.

The link will take you directly to the registration pages, where you will enter your information and select your conference options.

Payment can be by secure on-line credit card payment, or by mailed check or P.O., entered at the online registration site. You will receive emailed confirmation of your registration as well as a printable receipt or invoice.

See you at [www.citea.org](http://www.citea.org)!

**We look forward to seeing you in Riverside!**
